

Lampada d'arredo

Athena

Posizionabile su superficie o a sospensione tramite l'occhiello gommato, Athena è la lampada ricaricabile perfetta per illuminare con stile ed eleganza ogni ambiente interno ed esterno. La sua struttura in alluminio, solida e robusta, la rende versatile e utilizzabile in molteplici contesti.

Positionable on a surface or suspended using the rubberized eyelet, Athena is the perfect rechargeable lamp for illuminating any indoor and outdoor environment with style and elegance. Its solid and sturdy aluminum structure makes it versatile for use in many contexts.
